Matching Gifts: Increase the Impact of Your Gift

Corporate matching gifts are an easy way for you to increase the impact of your personal contributions to the Concord Community Music School. By taking advantage of a company's matching gift program, you can generate an additional gift that may automatically double or triple your own contribution. Some companies match gifts made by retirees and/or spouses.

It's as easy as 1-2-3

1. Check with your company's human resources department to find out about its matching gift policy.
2. Many employers will provide a form for you to fill out and send to us with your donation.
3. We will verify your gift and return the form to your company, which will then issue a matching gift contribution to the Music School.
