

CREATIVE ARTS CAMP

For students entering grades 1 - 6 in the fall of 2022

July 25-29 & August 1-5, 2022

9:00 a.m. - 4:00 p.m.

Creative Arts Camp is designed to encourage social-emotional learning through the arts, with activities that enable each individual camper to contribute their unique gifts of artistic expression in a safe and creative environment.

Our theme this year will be ANIMALS! For the first week of camp, we will explore the animal kingdom: learning about the natural world of animals, discovering how animals act during the day and night, and integrating their habitats and behavior into all our activities and projects. In the second week, the focus will be on enchanted animal life: marveling at animals that perform in the circus and thinking about mythical creatures, while sprinkling plenty of magic and enchantment into our daily fun.

Three age-based cohorts (grades 1-2; 3-4; and 5-6) rotate through three arts activity periods, learning skills and creating musical, dance, and visual art pieces. A healthy dose of indoor and outdoor games, breaks, and lunchtime provides plenty of fun and creates strong friendships.

Singing and Instrumental Music with Maria Isaak:

Singing, recorder playing, music reading, trying orchestral instruments, and more.

Dance and Creative Movement with Heather Oberheim:

Basic dance steps and styles; explorations of space, time, shape and weight; and solo, partner, and group creations.

Visual Arts with Somayeh Kashi: Drawing, painting, and sculpting your own creations, while learning about famous artists throughout history.

You introduced my child to a whole new love for music, art, and dance - thank you all!
