FINANCIAL AID INFORMATION
Fall 2022 – Spring 2023

Application Deadlines

Your **completed** application must be submitted to CCMS by the following dates in order to be processed before the CCMS Financial Aid Committee Meetings. **Late applications will only be considered if funding is available after the fall financial aid meeting.**

	<u>Fall Semester</u>	<u>Spring Semester</u>
Returning Fin. Aid Students:	August 1, 2022	January 2, 2023 (Letter)
New Applicants:	August 15, 2022	Rolling Basis*

* Financial Aid is awarded in the fall for the entire school year. Funds may be limited or unavailable for new applicants in the spring semester. Please contact the Registrar.

Process for Determining Awards

The Financial Aid Awards Committee reviews all applications. The Committee meets prior to the beginning of the fall semester. All discussions of the applications at the meeting are confidential.

Criteria for Determining Awards

1. Income level and family size: Please see income eligibility chart below for details.
2. Special circumstances: High musical expenses, sudden financial change (i.e. loss of job, emergency expenses, etc.), other circumstances as described.

CCMS Financial Aid Awards Income Eligibility and Assistance Levels

Families may be eligible for one of three assistance levels depending on family size, gross family income, and special circumstances that make a case for financial need. The following chart, based on Federal Poverty Guidelines as of 1/12/22, shows the maximum family income allowable for funding consideration at each level (please see page 2 for more detail). **Families whose income exceeds the Level III maximum but have special circumstances that make a case for financial need are encouraged to apply and include a letter explaining their circumstance; funding may be available.** The Financial Aid Committee will approve new guidelines at the annual fall meeting.

MAXIMUM FAMILY INCOME as of 1/13/21

<u>Family Size</u>	<u>Level I</u>	<u>Level II</u>	<u>Level III</u>
1	\$20,385	\$25,760	\$32,200
2	\$26,130	\$34,840	\$43,550
3	\$32,940	\$43,920	\$54,900
4	\$39,750	\$53,000	\$66,250
5	\$46,560	\$62,080	\$77,600
6	\$53,370	\$71,160	\$88,950
7	\$60,180	\$80,240	\$100,300
8+	\$66,990	\$89,320	\$111,650

Level I (\leq 150% federal poverty level) applications will receive financial aid awards at the highest percentage of the tuition, with awards as a percentage of tuition decreasing through Level II (\leq 200% federal poverty level) and Level III (\leq 250% federal poverty level). Special circumstances (as explained by the applicant in the optional narrative attached to the Financial Aid Application) may cause the Financial Aid Awards Committee to move an application from a higher income level to a lower income level, resulting in an increased award, and may allow for families exceeding Level III income level to receive some assistance. Students who are listed as dependents on their parents' 1040 form may not apply for financial aid based on their own income.

Recipient Obligations

1. Student co-payments must be made on time in order for financial aid to be continued.
2. For continuing students, evaluations of student effort, progress and attendance will be considered.
3. All student families receiving financial aid are required to complete a survey and write a letter of feedback describing your experience. These letters will remain anonymous.
4. For financial aid to be continued from the fall semester to the spring semester, a letter of intent is required by the spring semester due date.

By submitting an application, you are indicating your agreement to the above obligations.
